

PROVIDER ACCESS POLICY

The Heights Blackburn operates an open access policy to all post 16 providers including Colleges, training providers, universities, armed forces, NHS, and all other post 16-education providers.

We manage the access of providers to pupils at the school for the purpose of giving them information about the providers education or training offer. This complies with the schools legal obligations under section 42B of the Education Act 1997.

All providers in the first instance will be contacted by the CEIAG CoOrdinator or they can contact them directly on 01254 261655
